Description			
Water tank was turned on on 5/28.			
Contact number Public works dept st johns (928) 337-4517			
We can just call the number to ask to turn on/off the main water line.			

History

#1 - 06/01/2026 09:23 AM - Sieu Ngo

Tank Turned on on 5/28 was for the hotel rooms - not an area we need .. steve was confused as to which turn off was which

The Mgr Meter is not locked and appears we can turn it on ourselves... this is the one we really want as we don't need water in the hotel rooms themselves.. but for now, will leave things the way they are, see what they are gonna charge first.
