

Pinetop-Studios - PSS #17

Unifi Guest Network

01/04/2022 04:07 PM - Sieu Ngo

Status:	New	Start date:	01/04/2022
Priority:	Med-Low	Due date:	
Assignee:	Michael Milliron	% Done:	0%
Category:		Estimated time:	0.00 hour
Description I am relatively certain this is supported on our current hardware. Guest policy, no wifi password, forced splash page, register with name, room number, etc ... goal is to collect guest info (email), track usage to prevent abuse... perhaps survey functions as well.
