<b>Description</b>			
Loft/Kitchen - staff only			
<u>Downstairs:</u>			
"Pool Equipment" - pump room			
Pool Bathroom - Jill will do			
"D1" = Electrical Room behind pool Equipment - Staff Only			
Office / Front Desk - believe there is already a label.			
"D22" - closet by 122 - Staff Only			
Vending should be relabeled to "MarketPlace"			
Pool/Spa Room, thing has a label already			
Guest Laundry should already have a sign			
<u>Upstairs:</u>			
"S1" = electrical room by rm 200			
"S19" = storage by 219 (old maid closet)			
"S23" = storage by 223 (old mgrs closet)			
All these rooms, add "Staff Only"			
Outdoor Shed Area - total of 4 doors.			
I suggest putting label just to the left of door instead of door itself.			
Label as P1, P2, P3, P4			
Be good to add "Staff Only"			
Things we need to push folks towards:			
Front Desk			
Marketplace			
Ice Machine (btw, this is something constantly asked)			
Dog/Kennel Area			
Walking Trails			
Guest Laundry			
BBQ Area			
"Text when Checking out or for Housekeeping" - suggesting for each exit? .. or do we like "Checking Out? Need Housekeeping? Just Text/Call"			
Emergency exit only. Violators will be fine.			
All front loaders are high efficiency. Only need half the normal detergent and minimal softener.
