Description			
Charge Credit Card at Time of Booking			
Previously told this is all or nothing - meaning entire booking amount is due at check-in...so unlikely to be used for Extended Type stays.			
Benefits - no longer need to worry about failed credit cards for No Shows. Don't need to wait up for late night check ins - we can simply have the key ready for them, etc.			
So the platforms affected: Booking.com, Expedia and our Website			
Angelie - pls document how, where the request is made.
